School Safety Summit 2022

The nSide team would like to thank over 300 attendees, speakers, and vendors who helped make this year's School Safety Summit at the Orange Beach Event Center a huge success. Summit attendees enjoyed a jam-packed agenda of impactful presentations, hands-on workshops, and networking with fellow educators and school safety experts.

There was a variety of speakers and workshops, all focused on our common goal: protecting the lives of students and educators. Day One of the Summit opened with a year-in-review presentation from nSide CEO **Dr. Steve McKinney** (pictured right), who highlighted important developments for the company in 2022, including the partnership with the Mississippi Department of Education.

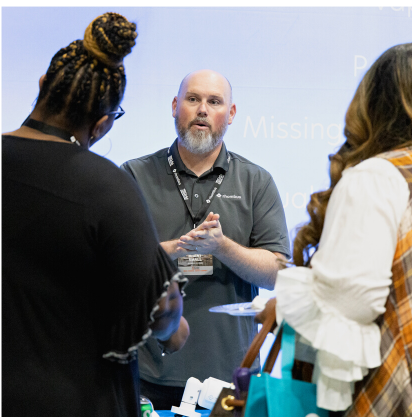

Summit Highlights

From Emergency Operation Plans to Mental Health awareness, here are some of the highlights from the 2022 School Safety Summit presentations and workshops:

And the 2022 **nSide**™ awards go to...

The nSide Initiative Award

This award is given to districts that have added additional safety modules to their nSide platform or worked with nSide to update their maps and information within the platform. The three districts recognized this year are **Huntsville City Schools (AL)**, **Gulf Shores City Schools (AL)**, and **Mississippi Schools for Deaf and Blind (MS)**.

Mississippi Schools for the Deaf and Blind

Rossville Consolidated School

The nSide Trailblazer Award

This award recognizes districts in new states and territories that have begun using the nSide platform. This year, nSide began working with the **Alamance-Burlington School System** in North Carolina. nSide has also been working with the **Rossville Consolidated School District** in Indiana (pictured). Both of these school districts were recognized for the nSide Trailblazer Award.

The Most Engaged District

The winner of this award is calculated using a measure of regular usage of the Platform through sessions and in-app events as well as a measure of quality for the collective districts' Emergency Operations Plan. This year, **Lauderdale County School District (AL)** was recognized as the Most Engaged District.

PARTNERSHIPS

In April 2022, The Mississippi Department of Education (MDE) implemented its plans to use \$14 million of its American Rescue Plan Elementary and Secondary School Emergency Relief (ESSER) III funds to purchase the nSide health and school safety platform for 140 districts across the state. As of December 2022, nSide has completed mapping on 55 Mississippi districts as part of this project.

HIGHLIGHTS

Quarter 1

- nSide partnered with the Mississippi Department of Education.

Quarter 2

- During conference season, the nSide team attended, sponsored, or presented at ten conferences across four states.

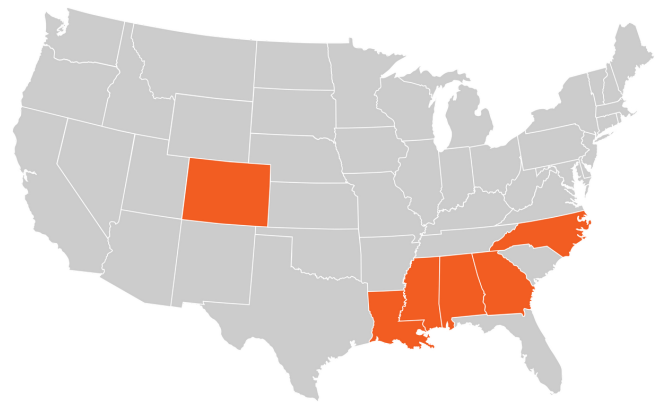

Quarter 3

- nSide expanded its website and implemented all-new e-learning courses on the platform through nSide|Academy.

Quarter 4

- nSide held its 13th annual School Safety Summit in Orange Beach, Alabama, attracting over 250 attendees and partners from across the Southeast.

WHERE WE'VE BEEN

Alabama: AAPAS, TAASRO, ALET, ASTA Conferences

Mississippi: MASA (Winter and Fall Conference), MASS, MASRO Conferences

Louisiana: Southern Region Leadership Conference (New Orleans)

Georgia: GA Homeland Security and School Safety Conference

North Carolina: Alamance-Burlington District

Colorado: NASRO Conference (Denver)

Season of Giving

For the fifth year in a row, nSide partnered with the Alabama Department of Education's Prevention and Support staff to sponsor the families of the Friendship Mission Homeless Shelter. Through this partnership, families at the shelter received coats, socks, underwear, pajamas, toiletries, cleaning items, and toys.

We are so grateful for this partnership and the opportunity to give back to the community during this season.

nSide Food Drive

nSide also held a food drive to help support families in need in the Shoals area this holiday season. After collecting food donations from our home office employees, the team helped transport the donations to local families.
